Consumer Resources	The Australian Telecommunications Industry body, Communications Alliance, publishes an education package as a general guide to help Australian consumers better understand broadband technologies and the factors that can influence the performance of their broadband services. It also provides guidance on steps consumers can take to improve their experience when using broadband connections, trouble-shooting tips, and answers to some frequently asked questions. https://commsalliance.com.au/BEP			

Information about this Service

Where is it available?

Our Community plan is only available where GigaComm services have been installed and are connected to government-subsidised, short and long-term rental, multiple dwelling units. Your address must be qualified before formal acceptance and commencement of service delivery.

What do I need to access the service?

GigaComm will provide a Network Termination Unit (NTU) with a single, customer-facing 1000BASE-T Ethernet port with your internet service.

Internet Speeds

Residential internet speeds achieved over our network are best-efforts and are not guaranteed. Actual speeds you will receive may vary due to several factors, such as limitations on your hardware or software, internet traffic and the source, or type of content being downloaded or uploaded.

Acceptable & Fair Use Policy

GigaComm wants all of its customers to have a great experience using its products, but one user's experience can be impacted by the use and behaviour of others. To maximise the available benefit to all users, GigaComm has established a set of rules and potential actions if those rules are breached in its Acceptable & Fair Use Policy. We encourage GigaComm's customers to read the Acceptable & Fair Use Policy, available here:

Excess Usage

GigaComm's Community plan is an unlimited internet service – there are no time restrictions and no excess usage charges. Our "Acceptable & Fair Usage Policy" applies.

Billing Information

Billing Charges

Bills are sent each month to your registered email address, free of charge.

If you have authorised Centrepay deductions the fortnightly amount of \$22.60 will be deducted from your fortnightly Centrelink payment.

Billing Date

Billing periods start on the 25th of each month, and end on the 24th of the following month. We will bill you in advance for the Minimum Monthly Charge. Invoices are sent a few days after the start of each billing period.

First Bill Charges

Your first monthly invoice shows transactions for the following:

- Part-period fees. For new customers, it is likely you will join us part-way through a billing period. We charge you for the portion of that period from the day after your installation to the end of the current billing period.
- Next period fees. The monthly fee for the next billing period.

Payments

You will continue to be billed for the Service until you contact us to cancel the service. Your service may be restricted if you fail to pay your bill on time.
